

# 2024 American Society of Enhanced Recovery and Perioperative Medicine Meeting

**SAVE THE DATE  
SEPTEMBER 19-21, 2024**

**2024 ASER Perioperative Medicine Meeting  
co-hosted with MD Anderson Cancer Center  
MD ANDERSON CANCER CENTER  
HOUSTON, TEXAS**

## JOIN US!

The goal of ASER Perioperative Medicine is to advance the practice of perioperative enhanced recovery and to contribute to its growth and influences, by fostering and encouraging research, education, public policies, programs and scientific progress.

This year's program is an exciting multidisciplinary interactive program, discussing key principles and the latest advances in enhanced recovery and perioperative medicine. Talks will specifically explain ways to implement these new ideas in your hospital to improve outcomes.
