Come Join Us!

The Texas Society of Anesthesiologists, the medical specialty Society for anesthesiologists in Texas, invites you to exhibit at the 2012 Annual Meeting which will be held September 6-9, 2012 at the Hyatt Hill Country Resort in San Antonio, Texas.

The TSA Annual Meeting enjoys a tradition of strong educational programming and committed attendees. The 2012 conference brings with it opportunities not only for the anesthesiologists of this Society but also for you, a potential partner with us. The 2012 conference will offer many social and educational opportunities for you to meet with the decision-makers in the field of anesthesiology and allow one-on-one contact with them. The conference attracted over 550 physicians in the field of anesthesiology and pain management in 2011 all under one roof. There is no other CME program in the state particularly geared for this group of professionals.

The exhibit hall will officially open at 6:30 Friday evening with a welcome reception for all attendees, their guests and exhibitors. Various activities will be held to attract physicians to the exhibit hall including door prizes, food and beverage stations and special announcements. Lunch will be available for all attendees in the exhibit hall on Saturday, September 8 from 12:15 to 1:15 p.m. with no competing CME. These events along with others will insure a successful show for all TSA Exhibitors. The exhibit hall will close at 2:00 pm on Saturday, September 8.

Exhibit at this important scientific and educational meeting by contacting us as soon as possible. **Exhibit pricing goes up on April 1st!** Upon receipt of your form and payment, we will send you confirmation of your attendance along with other useful information.
